

Join our Board of Trustees and help people and local communities thrive

AVA is about helping people to improve the quality of life for the whole community

AVA's Board of Trustees is made up of volunteers with wide ranging skills that allow them to oversee the running of the organisation.

The Board of Trustees leads the strategic direction of the organisation, works closely with the CEO and all the staff and makes sure that AVA delivers its vision and mission.

Will you be a Trustee of AVA?

We are looking for more Trustees to join our Board and would like to talk to anyone who has life skills or experience that would be valuable to Argyll Voluntary Action (AVA).

Why join us?

- Contribute to your community
- Share your knowledge and skills
- Have fun - laughter is a part of all our meetings
- Shape the future of our organisation and the 3d sector
- Share our vision of a thriving voluntary sector
- Support the charity that supports all of Argyll & Bute's charities

Decided to ask for information – what next?

- We will arrange for you to talk to some of our Trustees
- We will ask you to attend a couple of meetings as an observer
- When you are ready we will go through our Trustee/Committee induction process with you
- Development is an important part of our commitment to ALL our volunteers and forms part of every Board meeting.
